This year ALL our embroidered uniform items can be ordered through Lands End.

www.LandsEnd.com

School Number: 900131467

Once a user name and password has been created you will be able to register each student and their grade.

The website will tell you all the school approved items that can be purchased and if there is an embroidered logo option.

The two styles most like the dri-fit polo are called **RAPID DRY POLO or ACTIVE POLO**.

Parents can even register themselves and purchase adult size polos with embroidery.
